

Police and Crime Commissioner for Gwent Decision	
PCCG-2020-051	Police and Crime Commissioner for Gwent Decision Session
Subject	Community Safety and Youth Offending Partner Funding for 2021/2022.
Summary	The purpose of this paper is to record the decision to award funding to community safety and youth offending partners for the 2021/2022 financial year.

DECISION

1. The Police Reform and Social Responsibility Act 2011 provides under sections 9 and 10 that the Police and Crime Commissioner for a police area makes crime and disorder grants and acts in co-operation with responsible authorities and makes arrangements with criminal justice agencies for the exercise of functions, so as to provide an efficient and effective criminal justice system for the area.

2. The requirements under the Act have been considered as well as the requirements of the Police and Crime Plan and the current community safety landscape in Gwent. In 2020/2021 new arrangements for supporting community safety and youth offending in Gwent were put in place, which were implemented from 1st July 2020.

The new arrangements allocate a sum of funding to each Local Authority and Youth Offending Service based on an agreed formula, which takes into consideration both the population and the crime rate of each Local Authority area.

A budget of £500,000 has been set for community safety and youth offending in Gwent. Of this £66,000 is retained for non-Local Authority partners, whilst the remaining £434,000 will be allocated to Local Authorities to contribute towards their community safety and youth offending provisions. Using the agreed formula, the following allocations were made to Local Authority partners:

Project / Service	Amount Allocated for 2021 / 22
Blaenau Gwent County Borough Council - Community Safety	£33,681
Caerphilly County Borough Council – Community Safety	£61,035
Monmouthshire County Council - Community Safety	£35,090

Newport City Council - Community Safety	£63,819
Torfaen County Borough Council - Community Safety	£40,375
Community Safety Total	£234,000
Caerphilly and Blaenau Gwent YOS	£79,150
Monmouthshire and Torfaen YOS	£59,214
Newport YOS	£61,636
Youth Offending Total	£200,000
Total	£434,000

Each Local Authority has submitted a proposal outlining how their community safety and youth offending funding will be spent. Proposals have been reviewed by a Panel of representatives of the OPCC, Gwent Police and the Local Authority and recommendations have been made in relation to the awards to be made.

I have accepted the recommendations made by the Panel to award each Local Authority the full allocation that has been made available to them.

The £66,000 reserved for non-Local Authority partners is currently being allocated via a separate process and once final decisions are made, will be subject to a separate decision log.

4. The arrangements for each award will be set out in a Grant Agreement, which includes appropriate terms and conditions, purpose of the award and payment, monitoring and reporting arrangements.

At a minimum, in order to monitor the progress of funded projects, and provide reassurance that funding allocated is effectively meeting Policing Priorities in Gwent, as outlined in the Police and Crime Plan, grant recipients are required to complete a mid-year and an end of year monitoring report, which will require the following information to be provided:

- Project Activity;
- Project Outputs;
- Project Outcomes;
- Breakdown of financial expenditure;
- Risk; and
- Learning.

Where the review panel recommended additional conditions over and above the standard terms and conditions, (in order to gain assurance and clarity in relation to project deliverables and outcomes); these will be monitored in addition to the minimum monitoring and reporting requirements and where appropriate and proportionate, have been linked to the release of funding.

Successful applicants will be required to accept the terms and conditions of the grant, which will be outlined in a Grant Agreement and Grant Offer Letter, by signing and returning the relevant documentation.
